Lines of Dialogue

How would this person present themselves when they walk into a room?	No need for applause – your defeat is all the validation I need.
How would they go about getting a glass of water from someone? What would they say/do?	That water – it's mine – You can give it to me or I can take it.
How would they insult somebody?	Look at that – one of us is dressed for the occasion and the other...is happy to be invited.
