GAMEPLAY:

EXT. CITY - DOWNTOWN DISTRICT - NIGHT

KIRA follows closely behind her new target, CORY VEILLON. He's unsuspecting of her presence, but Kira walks carefully. Cory looks back.

The Player is instructed to hide Kira in the crowd of people. Once Cory turns away, the Player is prompted to follow him.

KIRA
Now I just need him to go somewhere quietly.

The Player continues to pursue Cory while hiding Kira in the crowds when he looks back. Then BAM!

A gunshot is fired at Cory. Cory barely DODGES the bullet. He looks back and spots Kira. He runs. A MASKED FIGURE PUSHES Kira aside to chase after him first.

The Player is prompted to chase after Corey.

KIRA (cont'd)
Great. Just great!

The Player SPRINTS as Kira while keeping Cory in their sight. Kira DODGES and MANEUVERS over the objects. The Player also attempts to slow down the Masked Figure by using Kira's GADGETS.

The Player has the option of using her STUN GUN to stall the Masked Figure for a few moments or STICKY GOO that forces the Masked Figure to fall behind.

The Masked Figure also has the ability to slow Kira down with multiple traps. The Player has a fixed amount of time to escape from the trap before they would FAIL the mission. But if they escape successfully, they can resume the chase and slow the Masked Figure down.

Finally the Player runs ahead of the Masked Figure and aims Kira's THROW-ABLE TRAP at Cory. He quickly approaches the TELEPORTATION PORT ahead. The Player SHOTS.

EXT. CITY - DOWNTOWN DISTRICT - NIGHT

Kira is TACKLED to the ground by the Masked Figure as she shoots the trap. The trap FLIES past Cory. Cory runs and SLIDES into the TELEPORTATION PORT. He turns to Kira and laughs as he becomes TRANSPARENT and DISAPPEARS.

Kira PUSHES the Masked Figure off of her. She aims her BLASTER at him.

KIRA

Talk or I shoot. And I wouldn't count
on me missing this time.

The Masked Figure holds his hands up in surrender. He REMOVES HIS MASK. Kira's eyes widen as she sees the Masked Figure's identity.

KIRA (cont'd)

Val?

VAL HALCORR lowers his hands and shrugs.

VAL

The one and only.

Kira PUNCHES Val across the face.

KIRA

What the actual frack?! I had him!

Val rubs his cheek.

VAL

Hi Kira. Nice to see you too. It's
been a nice year. Thanks for asking.

KIRA

Don't make me shoot you.

VAL

Again with the empty promises.

Kira LOADS HER BLASTER and aims it at Val.

KIRA

What do you want?

VAL

Caine's missing.

Kira lowers her blaster.

KIRA

So? It always takes him days to hunt a target.

VAL

It hasn't been days. It's been months.

Kira pauses.

VAL (cont'd)

He asked me to help, but -- we had a huge fight. Then yesterday, I receive a message from him to find you. He sounded desperate.

KIRA

Did he say who the target was?

Val shakes his head.

VAL

No. But he left coordinates.

Kira places her blaster on her holster.

KIRA

He's never asked for help. Not like this. Where are the coordinates leading to?

VAL

Where he found you as a kid: Elos.
