CUT SCENE
VERSION:

INT. STAR CRUISER - MEETING ROOM - DAY

KIRA stumbles into the room with bags under her eyes. She stops. VAL, her friend, leans into his chair and sets his feet on the table. She's disappointed.

KIRA
I guess I forgot to close the dog door.

VAL
(smug)
C'mon, you've got to give me a little more credit.

KIRA
You're right. A snake would suit you better.

VAL
Takes one to know one. Where were you off to last night?

KIRA
Did I keep you waiting?

Val types into the holo-pad on the table. A SCREEN flashes open. It's a file on a BOUNTY TARGET, CORY VEILLON.

VAL
I kept myself busy.

Kira's jaw drops.

KIRA
I spent all night trying to hack into-
-ugh! And you just happened to have it?

Val shrugs.

VAL
It's like you said. I'm a bit of a snake charmer.

KIRA
That wasn't the term I used.

VAL
(smirks)
It's what you meant.

TEXT/MOBLE
VERSION:

INT. STAR CRUISER - MEETING ROOM - DAY

KIRA enters into the room. She sees VAL, her friend, with a smug grin on his face. Kira is caught by surprise.

KIRA
I forgot to close the dog door.
Again.

VAL
C'mon, you've got to give me a little
more credit.

KIRA
You're right. You just can't resist
breaking into my ship.

VAL
Who can blame me? It's very homey.

KIRA
I don't have the patience for your
shenanigans right now.

VAL
Long night?

KIRA
Why should I tell you?

VAL
Because I'm nice. In fact so nice, I
was able to get this file from a very
cooperative security guard.

KIRA
Corey Vellion's file?!

VAL
The high biggest bounty target on the
market right now, of course.

KIRA
I spent all night trying to hack into-
ugh! And they just GAVE it to you?

VAL

I'm what they call a snake charmer.

KIRA

That's not the term I would use, but
I'll take what I can get.
